# Father's Day

Read the story. Then cut it up. Put it back together and read it again.

Father's  Day is on the  third Sunday in June.

Many fathers work hard.  Some fathers 

teach their children  how to use tools. 

Some fathers  teach  their children how

to fish.  Many fathers teach their children

how to ride a bike.  Father's Day is a day

to thank fathers.  Some people give 

their father a gift  or a card.
